

**SECURITY INDUSTRY AND
LICENSING UPDATE
AND
NEW TRENDS AND
TECHNOLOGY ADVANCES**

Presentation to AIRM by
Martin Stairs

Irish Security
Industry Association

The logo for RAS Security Systems features the lowercase letters 'ras' in a dark teal, rounded font. The letter 'a' is stylized with a blue dot above it and a blue dot below it, connected by a thin teal line. The letter 's' also has a blue dot at its base, connected to the 'a' by a thin teal line. The background of the logo is a white square centered on a blue gradient background.
